GUIDE TO SB EXPRESS LANES ON 1-10

BENEFITS

- · Improve travel within I-10 corridor
- Relieve congestion and improve traffic flow on the regional transportation system
- Provide time savings and trip reliability for all who travel on I-10

PRICING

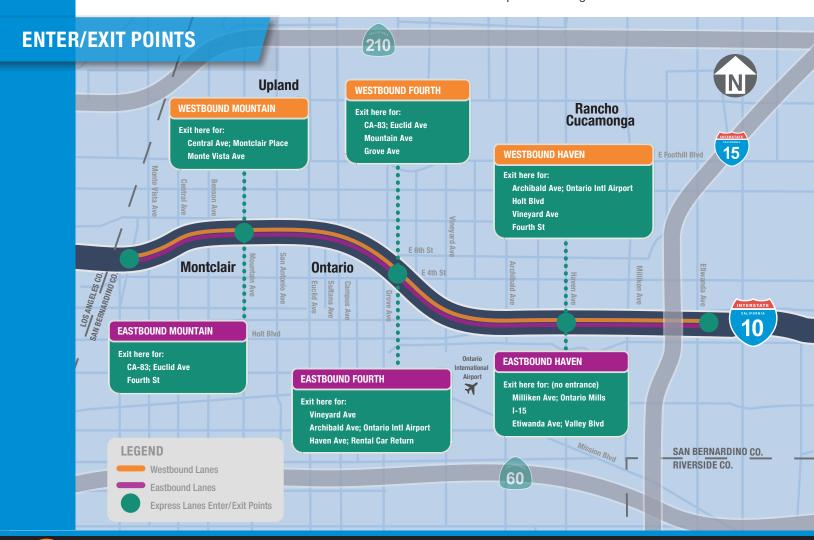

Toll pricing is dynamic and fluctuates based on traffic levels. Toll prices will be displayed on signs at each entry point within the corridor. The price you see at the point of entry is the price you will be charged.

Pay tolls automatically from a pre-established, prepaid FasTrak® account that can be replenished using credit card, cash or check. FasTrak accountholders pay the lowest toll amount on I-10 and are eligible for discounted toll rates and programs.

HOW IT WORKS

The SB Express Lanes are two tolled lanes in each direction of I-10 between the I-15 Interchange and Los Angeles/San Bernardino County Line. Drivers can enter and exit the SB Express Lanes on I-10 from multiple points, providing sufficient opportunity to reach various destinations along the corridor. Entering and exiting the SB Express Lanes at points other than those indicated on the map below is illegal.
